

Summit City Rental

Chairs ~ Portable Restrooms ~ Tables

Std. Porta John & Handicap

Standard Unit

The Port A John is built tough and comes equipped with anti-slip floors and ample ventilation, making it ideal for commercial and residential worksites. It's also a smart choice for events like concerts, fairs, and festivals. You won't find a roomier standard portable toilet.

FEATURES:

50 Gallon Waste Tank

(See Chart to Left for how many should be used)

Toilet Paper Holder

Hand Sanitizer Available Inside Unit

(Additional Fee)

Anti-Slip Floor Surface

Ventilation

Translucent Roof for Better Ventilating

**Urinal and Toilet inside each unit.
Custom female units can be requested at NO cost.**

****We also have flushable units with handwashing sinks inside too****

How many port-a-potties do you need?

		Event length, in hours									
		1	2	3	4	5	6	7	8	9	10
